Sudarshan Chakra

Sudarshan Chakra indicates the cumulative influence of benefic and malefic planets as reckoned from :
(i) the Ascendant, (ii) the Moon and (iii) the Sun at a glance. This also pinpoints the corresponding age-periods during which those influences will operate.

If the influences are of natural benefic planets (Jupiter, Venus, Mercury, Waxing Moon) only, then the whole year will be enjoyable and auspicious events will take place.

If the influences are of natural malefic planets (Mars, Saturn, Rahu, Ketu, Sun, Waning Moon) only, then the year might be problematic and inauspicious happenings are likely to take place.

Predictions from Tri-Ayudha Chakra

As per Nakshatra-reckoning from Sun's placement nakshatra to that of Moon's, as per Ratha Chakra, it falls on the space behind it's back portion; it's result is that - if counteracting combinations are not present in your chart - you will be fairly fortunate, but may have the habit of following others - rather than trying to become independent; for this reason, you may have to remain in service.

As per Nakshatra-reckoning from Sun's placement nakshatra to that of Moon's, as per Ghurna Chakra, it falls in the eighth portion; it's result is that - if counteracting combinations are not present in your chart - you will be a maker of your own fortune, which people call fate; for your prized qualities like diligence and perseverance, dame fortune will always be smiling on you.

As per Nakshatra-reckoning from Sun's placement nakshatra to that of Moon's, as per Chapa Chakra, it falls on the left side Bow-String joint; it's result is that - if counteracting combinations are not present in your chart - you may fall under adverse circumstances during sometime in your life; if it is so happens, then you will surely be able to find your way out on your own.

General Predictions Related to Native

General Characteristics :-

Your Ascendant falls in sign Aries. This sign has been classified as a fiery, cardinal (movable or acute) and equinoctial sign. Certain other natural qualitative characteristics have also been attributed to it: this sign is masculine, sterile, fruitful, bestial, and violent by nature.

For being born in this Ascendant, you will become very courageous, and have a somewhat rash, impulsive, and intemperate nature; you will be dauntless, bold, and fearless. You will be endowed with an ever-optimistic outlook, the 'never-learned-to-admit-defeat' attitude, and high ambition - as you will nurture a deep-rooted desire for gaining prominence at your earliest. For being highly ambitious, you may reach to the highest position in your profession. Your unique qualities will give you recognition in sphere of your profession or business, whatever case it may be. You may become a head of any department or office or organization. If you are unable to enjoy peculiar rights at your work place, you will be able to find new ways for yourself very soon.

You will not be averse to make proper use of energy and force - you will be assertive, positive, and can be extremely aggressive at times. You will not put down your work incomplete. You will be endowed with distinctive vitality. You will be logical and genius. For this reason, you will accomplish your job in a systemic way with a scientific approach by using all available facts and data. You may not be able to secure many promotions in quick succession; your rank might be modest, but your remuneration will be very good. In the long run, you will rise to a fairly high and respectable position.

In respect of money-matters, you will remain very careful, and will always control your purse string very effectively. Important Predictions from Varshphala

Varhphal Years: 56 (2021-2022) Varhphal Date: 22:08:2021, Time: 08:00Hrs

(Ashtak Chakra, Dhundhiraja Padhati, Varsheshwar and Muntha)

Since the Purva-Bhaga has a remainder while the Uttara-Bhaga does not, you are likely to have a trying period ahead -- more so during the second half of the year. If modifying influence is not present in your chart, then you are likely to face inconveniences owing to blockage of funds or for incurring losses.

Since both the Purva-Bhaga and Uttara-Bhaga for the next year have no remainders, you are likely to have a very disturbing period ahead. You should remain careful and cautious in all your affairs in general, avoid disputes and quarrels altogether, and take due care of your health. You are advised to stay away from romance and speculative investment -- since these are the potential sources, which may bring in grave disappointments.
Your age-period around 56.0 y.2.0 m.5 d. could prove to be extremely problematic. You should therefore remain on the alert and avoid taking chances during the period around 26:10:2021 (+/- 1 month), as everything around you may seem to go haywire for no apparent reason. The chance of facing an accidental mishap, or suffering owing to some untoward happening, may also hang on.

In your chart, for the current year, the Ashtaka-Chakra Index Planet is Saturn. This planet happens to be the 10th-lord, which is situated in the 10th from Moon-sign. If relevant for the age-period you are running, then during the year you may look forward to acquiring a lucrative new job or promotion.

In your this year's Varsha-phala chart, the planet Moon becomes the Varsheshwara.

In your Varsha-phala chart of this year, the Varsheshwara happens to be a natural benefic planet. As a result of this, you will be fortunate: the goings-on during the year will be very smooth, and you will not face any untoward development or sudden fluctuation in your general affairs.

In your Varsha-phala chart of this year, the Varsheshwara happens to be Moon. It will make you fortunate in respect of all your affairs in general. You will become exceedingly popular and make friends with people of rank and authority. You will prosper in your sphere of profession, your earnings and accumulated wealth will increase, and you will have some new acquisitions. Your domestic life will be peaceful and happy; there might be an addition to your family by marriage or childbirth. You will be attracted more to your home; yet, you may proceed for a long journey for pleasure and profit sometime during the year.

In your Varsha-phala chart of this year, Muntha falls in the 4th-house. This is a quite unfavorable

position. You may have a troublesome period ahead; hence, you are advised to lie low and go slow - and let the raging storm pass over. You may not remain in good health, and the deteriorating state of health of your mother may cause you some concern. The developments at your workplace may keep you in worried state, and you might be afraid of losing your position and/ or status. Besides, you may feel quite distressed owing to increase of disputes with relatives, friends, or associates.

In your Varsha-phala chart of this year, Muntha-sign falls in the sign of Jupiter. The year ahead is favorable for you. All your endeavors will derive fruits in abundance. You will receive direct favors from your superiors, and indirect benefits from the authorities. You will have good progress in profession, and come in contact with some learned and pious persons. Your religious inclination will become profound, and you may visit holy places. You may become very fond of children, and they might become a source of joy to you.

In your Varsha-phala chart of this year, the lord of Muntha-sign falls in the 6th-house from the Varsha-Ascendant, and the planet is not in exaltation or in own-sign or in own-nakshatra. This is not a favorable combination. During the year, you may suffer from illness, have to meet with heavy and wasteful expenditure and even run the risk of incurring losses. In the sphere of profession, you may face a temporary setback; besides, your credibility and honor could be at stake for some queer reason.

In your Varsha-phala chart of this year, the lord of Muntha-sign is found to be retrograde. This is not a favorable combination. Sometime during the year, you may suffer from illness, have to meet with heavy and wasteful expenditure, and even run the risk of incurring losses. In the sphere of profession, you may face a temporary setback; besides, your credibility and honor could be at stake for some queer reason.

Important Predictions from Varshphala

Varhphal Years: 58 (2023-2024) Varhphal Date: 22:08:2023, Time: 20:12Hrs

(Ashtak Chakra, Dhundhiraja Padhati, Varsheshwar and Muntha)

Since the Purva-Bhaga has a remainder while the Uttara-Bhaga does not, you are likely to have a trying period ahead -- more so during the second half of the year. If modifying influence is not present in your chart, then you are likely to face inconveniences owing to blockage of funds or for incurring losses.

In your chart, for the current year, the Ashtaka-Chakra Index Planet is Mars. This planet happens to be the 7th-lord from the Moon-sign, which is situated in the 7th-house from the Ascendant. If relevant for the age-period you are running, then during the year you may look forward to getting married, or starting a new venture of your own (probably by forming a partnership/ collaboration).

In your this year's Varsha-phala chart, the planet Mars becomes the Varsheshwara.

In your Varsha-phala chart of this year, the Ascendant-lord of the Birth-horoscope becomes the Varsheshwara - while the same planet is not situated in any of the trika-houses (the 6th, or the 8th, or the 12th). This is a favorable combination, and you will be remarkably fortunate in certain respect. You may have some special accomplishment during the year. Alternately or in addition, there might be some auspicious celebration in your family.

In your Varsha-phala chart of this year, the Varsheshwara happens to be Mars. It will make fortunate in respect of- and receiving assistance and support from- your siblings, cousins, neighbors, etc. You will receive favors and benefits from the authorities, and your value and importance will increase. If you are looking for a new employment, you will be successful in finding an attractive new one. In case of disputes or contests, you will emerge as the victor, and your enemies will be fully subdued. Besides, you will have good gains from the real estate, property rentals, machineries, chemicals, fire-related equipments, and domestic canine pet animals.

In your Varsha-phala chart of this year, Muntha falls in the 12th-house. This is not at all a favorable position. You may have a troublesome period ahead during the year; you are therefore advised to lie low and go slow for letting the raging storm pass over. Your health may not remain so good, and the deteriorating state of health of one of your children may cause you some concern. You may have quarrels and disputes with your friends and acquaintances - some of them might become secretly inimical to you. You must also not antagonize your superiors and authorities; otherwise, you might be transferred to an inconvenient place. Heavy and wasteful expenditure may keep you worried; besides, you may also incur some losses - probably owing to theft.

In your Varsha-phala chart of this year, Muntha-sign falls in the sign of Saturn. Both the sign and its lord are afflicted owing to association- or taspect- of malefic planets. The year ahead is likely to be quite problematic for you. You may not remain in good health and your domestic life may not be happy at all. You may have a serious setback in profession, or become aggrieved owing to certain reasons. Some jealous people may try to create problems for you; they might misbehave with you, or use harsh, hard, or even insulting words. You may lose popularity, and your credibility and honor might be waning.

In your Varsha-phala chart of this year, Muntha-sign falls in the sign of Saturn. Both the sign and its lord are favorably disposed owing to association- or taspect- of benefic planets. The year ahead is therefore favorable for you. You will remain in good health and your domestic life will be fairly peaceful and happy. You will have excellent progress in your sphere of profession; your earnings and accumulated wealth will increase. You may have good gains from real estate, and also acquire a piece of property. Your Private connection and social honor both will increase considerably.

The lord of the Muntha-sign in your Varsha-phala chart of this year occupies the same sign-position in the Varsha-phala chart as it had held in your Birth-horoscope. This year is therefore bound to be significant and eventful. As one or more natural benefic planet/s is/ are conjoined with- or taspects- the lord of Muntha-sign - while no natural malefic planet/s is/ are conjoined with- or taspects- it in the Varsha-phala chart, some auspicious events/ happenings are expected once around the beginning and also around the close of the 'year' - that is, once around a few days after your this year's birthday, and also just a few days before your birth-day of next year.

The lord of the Muntha-sign in your Varsha-phala chart of this year occupies the same sign-position in the Varsha-phala chart as it had held in your Birth-horoscope. This year is therefore bound to be significant and eventful. As no planet is conjoined with- or taspects- the lord of Muntha-sign in the Varsha-phala chart, some favorable events/ happenings are expected once around the beginning and also around the close of the 'year' - that is, once around a few days after your this year's birthday, and also just a few days before your birth-day of next year.

In your Varsha-phala chart of this year, the lord of Muntha-sign falls in the 12th-house from the Varsha-Ascendant, but the planet is in exaltation or in own-sign or in own-nakshatra. Although this is not a very favorable combination, some guarding influences are also found to be operating. During the year, you may suffer from minor illness, and have to meet with wasteful expenditure. In the sphere of profession, you may have a change or transfer to an inconvenient place; besides, your value and importance might start gradually receding for some queer reason.

In your Varsha-phala chart of this year, the lord of Muntha-sign is found to be retrograde. This is not a

favorable combination. Sometime during the year, you may suffer from illness, have to meet with heavy and wasteful expenditure, and even run the risk of incurring losses. In the sphere of profession, you may face a temporary setback; besides, your credibility and honor could be at stake for some queer reason.

(Ashtak Chakra, Dhundhiraja Padhati, Varsheshwar and Muntha)

Since the Purva-Bhaga has a remainder while the Uttara-Bhaga does not, you are likely to have a trying period ahead -- more so during the second half of the year. If modifying influence is not present in your chart, then you are likely to face inconveniences owing to blockage of funds or for incurring losses.

In your chart, for the current year, the Ashtaka-Chakra Index Planet is Venus, who is not retrograde. Since Venus is the natural significator for marriage, if you are not married till yet but is willing to get married, then during the year you may look forward to having your wish fulfilled.

In your chart, for the current year, the Ashtaka-Chakra Index Planet is Venus, who happens to be the 7th-lord, and is not retrograde. Since the 7th-lord signifies marriage, if you are not married till yet but is willing to get married, then during the year you may look forward to having your wish fulfilled.

In your this year's Varsha-phala chart, the planet Moon becomes the Varsheshwara.

The Varsheshwara planet is situated in own-sign in your Varsha-phala chart of this year. It is neither combust nor eclipsed. This is a favorable indication, and you will be fortunate in many respects.

You will become exceedingly popular and make friends with people of rank and authority. You will prosper in your sphere of profession, your earnings and accumulated wealth will increase, and you will have some new acquisitions. Your domestic life will be peaceful and happy; there might be an addition to your family by marriage or childbirth. You will be attracted more to your home; yet, you may proceed for a long journey for pleasure and profit sometime during the year.

In your Varsha-phala chart of this year, Muntha falls in the 8th-house. This is a very unfavorable position; you should therefore remain very careful and cautious. The period ahead during the year might prove to be very troublesome for you. The incessant activities of your enemies might keep you in perpetual tension. You must not get entangled into any dispute with your superiors and authorities; otherwise, you may run the risk of becoming a victim of their wrath. Your own health may not remain very good, and the deteriorating state of health of your father may cause you some concern. Quarrels and misunderstandings, and heavy wasteful expenditure might make you worried. You may have a few journeys to distant places also; but those are far less likely to bear any fruit.

In your Varsha-phala chart of this year, Muntha-sign falls in the sign of Mars. The year ahead is favorable for you. You will become more energetic and successful in all your efforts. You will fulfill all your commitments, and your credibility and honor will increase. You will attract the attention of your superiors, and win appreciation from the authorities. It appears quite possible that you might be elevated to a more prestigious position. Your popularity will increase, and people in general will treat you with respect.
